2 Under standing orders of Govt, the Post-graduate Course of training of Med officers extends to one year in the Victoria Hospl, 3 months in the Eye Hospital (Minto Ophthalmic Hospl) and 3 months in the Maternity at Bangalore or in H.H. the Maharani's Hospl, Mysore. No Senior Surgeon recommends that Mr S.K. Hanumantha Rao may be exempted from taking the Course in the Maternity. It is a point for consideration whether the change of Station applied for by Mr J.S. Siddappa may not be deferred till Mr Hanumantha Rao Completes his post-graduate Course in all the institutions referred to. ~~Since~~ If this Course is appd, Mr Siddappa will have to remain in the Malnad for 6 months more unless the Senior Surgeon can suggest other arrangements. Even according to the present proposals Mr Siddappa cannot get a Change for 3 months till Mr Hanumantha Rao Completes the Course in the M.O. Hospl

7 It is gathered from cy. Information as to the circumstances in which the Asst Surgeon at Sagar was withdrawn may, if asptd, be ascertained by a reference to the Senior Surgeon as it is not easily traceable.

8 In this connection it is also submitted that the Financial Secy in his note on the files re: appointments of Messrs B. K. Narayana Rao & Cy. 5. He recommends a local allowance of 30 Rs. per quarter and to assistant Surgeons, and Rs 20/- to Subassistant Surgeons ~~and not per quarter~~ working in the Malnad Dispensaries

6 As regards the last proposal, the District and Municipal Boards will have to be consulted as to the contribution they should make. If approved, their opinions will be called for.

11. With regard to the proposal No 4, the Senior Surgeon may be requested to make a separate reference.

12 The main proposals are those concerning the assistant Surgeons charges. From no doubt since the Koppa Dispensary was in charge of an assistant Surgeon from 1894 to 1900, and Sagar Dispensary up to 1904. The Dispensary at Koppa was placed in charge of a subassistant Surgeon on the recommendation of the Senior Surgeon, because Rs 200 had to be paid to the Koppa Medical Fund.

The charges in connection with Sagar and Nagar are and Seems Sharpe Accidental. Nagar Ind Dispensary was in charge of Mr Chengalaraya Naidu till 1910 (897), and as he was promoted to the grade of Asst Surgeon, the Dispensary is now continued to be in charge of a Junior Asst Surgeon. So also the charge in Sagar Seems to have been made not for any special reason. The charges in these two dispensaries as proposed by the Senior Surgeon can be sanctioned as they are not likely to involve any ~~addition~~ increase in expenditure.

Sir,

With a view to make more efficient medical-aid available to the people in the interior of the Malnad tracts of the Hassan, Kadur and Shimoga Districts, I have the honor to propose the posting of Assistant Surgeons to the charge of some of the Local Fund Dispensaries in the Malnad. The most important of these stations are, (1) Saklespur (2) Mudigere (3) Koppa, (4) Thirthahalli & (5) Sagar.

2. The Dispensaries at Saklespur & Mudigere are, at present, under Assistant Surgeons. So were the dispensaries at Koppa and Sagar at one time under Assistant Surgeons. But these latter have, some how, come to be placed under Sub Assistant Surgeons for several years now. I may,in this connection, invite attention to subject No.771 of the Dasara Representative Assembly Proceedings of 1913.

3. It is therefore necessary to definitely recognise the 5 places named in para 1,as Assistant Surgeons' charges. The officers posted to these places will not only work in their own spheres but will also be available within easy

access

SUBJECT.

Suggesting to
post Assistant Surgeons
to certain Local Fund
Dispensaries—

access to Sub Assistant Surgeons of neighbouring dispensaries in the treatment of important or intricate cases.

4. Should the Government be pleased to sanction the above proposal, I would recommend the posting of Assistant Surgeon Mr. Krishnamurthi Rao, now d.d. at the District Hospital, Shimoga, to Sagar and of Mr. S.K. Hanumantha Rao to Thirthahalli, after he completes his post-graduate course of 3 months in the Minto Ophthalmic Hospital. He has almost completed his term in the Victoria Hospital and may be exempted from the course in the Maternity, in view of the fact that he has had opportunities of gaining sufficient experience.

5. Nanjangude is within easy reach of Mysore by railway and any cases requiring higher medical skill can be easily taken from the former place to the latter. So, the Local Fund Dispensary at Nanjangude may very well be placed in charge of an experienced Sub Assistant Surgeon of the 1st or 2nd Class. If this is permitted, the Assistant Surgeon (Mr. Rajagopaul Moodr.,) now in charge, will be posted to Mudigere to relieve Mr. T.S. Siddappa, who has completed his malnad service and has applied for a change. Mr. Siddappa will be deputed to the Victoria Hospital for post-graduate course, which he has not yet undergone.

6. One of the Assistant Surgeons from the sanctioned strength has been lent to the State Railway Construction Department for the medical charge of the Mysore-Arsikere Railway line. Another has been lent to the Public Works Department for medical charge of the Kannambady Reservoir Works. I request the permission of Government to fill up these two temporary vacancies in the Assistant Surgeons' grade, by promoting two of the most deserving 1st Class Sub Assistant Surgeons with University qualifications, now in the Service, and post one of them to Koppa, the other being attached to the District Hospital, Shimoga.

7. The conditions of life and service in the malnad are very hard. In order to compensate these officers for the hardships involved I earnestly request that the Government may be pleased to grant a decent local allowance to these officers and also arrange to provide them with rent free quarters. In the case of Sub Assistant Surgeons, a charge allowance of Rs.20/- is granted. The local allowance in the case of these Assistant Surgeons may be fixed at Rs.30/- per mensem and the amount charged to the funds of District Boards who are now paying the charge allowance of the Sub Assistant Surgeons and may reasonably be required to pay Rs.10/- more for the sake of the better medical aid that will be made available.

With reference to your docket No. 4643-Med.78-14 dated 11th December 1914, enquiring when and under what circumstances the Assistant Surgeon was withdrawn from the charge of the Sagar Dispensary, I have the honor to state that from this office file it is seen that when Assistant Surgeon Mr. A.J. Coelho who had been in charge of the said dispensary for many years, died of Apoplexy on the 4th December 1904, the District Medical Officer requested that permanent arrangements might be made for the charge of the institution. In this office Memo No. 3141. dated 10-12-04, one Mr. Darashaw Framji, 1st Class Hospital Assistant, then doing duty in the General Hospital, Mysore, was posted to Sagar Dispensary which has, since then, continued to be in charge of a Hospital Assistant (Sub Assistant Surgeon. new scale.)

2. The Dispensary at Nanjangude was in charge of a Hospital Assistant till 1st October 1897, on which date the incumbent then in charge, Mr. Chengalroya Moodr., was promoted to the grade of Honorary Sub Assistant Surgeon (now Assistant Surgeon.) Gen. and Rev. Depts, Bangalore.

Sir,

Adverting to your office Memo No.7740/Med.60-12 dated 29-3-1913, communicating the transfer of Assistant Surgeon Mr. S.K. Hanumantha Rao to the Victoria Hospital, for post graduate course, I have the honor to state that, on completion of his training in the Victoria Hospital, the Assistant Surgeon was posted to the Minto Ophthalmic Hospital, where he will complete the prescribed course of three months on the 15th July 1915.

2. I request that, as already suggested in para 4 of my letter No.G. 210 dated 23-11-1914 on the subject of posting of Assistant Surgeons to the charge of certain malnad dispensaries, Government may be pleased to exempt Mr. Hanumantha Rao from the course in the Maternity and order his transfer to the charge of the L.F. Dispensary at Mudigere, Mr. T.S. Siddappa being transferred to the Victoria Hospital for post graduate course.

I have the honor to be,
Sir,
Your most obedient servant,

T. V. Arumugum

Sir,

In continuation of para 2 of my letter No.G.19 dated 8-7-1915, requesting Government to kindly order the transfer of Mr. S.K. Hanumantha Rao to Mudigere and of Mr. T.S. Siddappa to the Victoria Hospital for post-graduate course, I have the honor to state that Mr. Siddappa has put in over 6 years' service in Mudigere itself, which has told on his health and he therefore needs a transfer urgently. Mr. Hanumantha Rao's attainments are sufficiently high for his being trusted to manage maternity cases. Moreover, he will have finished over a month's course in the Maternity by the time the orders of Government are received on this reference.

2. Under the circumstances, I request that Mr. Hanumantha Rao may kindly be exempted from the further course in the Maternity and his transfer to the charge of the Mudigere L.F. Dispensary and the transfer of Mr. T.S.Siddappa for post-graduate course to the Victoria Hospital, ordered as early as possible.

Sir,

In reply to your letter No. 1784-Med. 78-14 dated 31st August 1915, I have the honor to state that, of the two places - Mudigere and Thirthahalli, the latter is more important and it is on this ground that in letter No.G. 478 dated 7-5-1915, written soon after the return of the Senior Surgeon from his visit to the malnad, the posting of Mr. Rajagopaul Moodr., the younger of the two officers to Thirthahalli was proposed, in modification of the proposal contained in the earlier letter No. 210 dated 23-11-1914

2. Mr. Hanumantha Rao has completed 6 weeks' training in the Maternity (from 17th July 1915) and will put in another week by the time orders on this reference are received, and he may, as already submitted, be safely exempted from any short period that may be wanting to make up the full 3 months.

3. In case the Government deem it undesirable to exempt Mr. Hanumantha Rao, I request that early orders directing the transfer of Mr. Siddappa to the Victoria Hospital for post-graduate course, may be passed and I shall
